

vetro temperato 6mm
tempered thick glass 6mm

Serie Lumina

Lumina series

Le proposte Lumina si distinguono per la loro leggerezza sul piano estetico: rinunciano al telaio e rendono dominante il vetro **spessore 6mm**. Le cerniere, in ottone cromato, sono state studiate con una particolare attenzione alla facilità di montaggio e pulizia, mantenendo una peculiarità di forma che le rendono uniche nel genere. Il design è essenziale e pulito, ideale per le aree benessere contemporanee.

Lumina series provides a very distinguishable product offer due to its lightness and aesthetic features as it renounces to the frame and promotes the glass 6mm thick tempered. The hinges, chrome plated brass, have been designed with a focus on ease of assembly and cleaning, maintaining a peculiarity of form that makes them unique in the kind. This clean and essential design suits perfectly a modern and contemporary wellness area.
